

### **Fantastic GCSE Results!**

*The staff at KHA would like to congratulate our year 11 students for their excellent GCSE results. The dedication to their studies has paid off, and we wish them all the success in the next steps of their education. We are super proud of you all!*

*King Harold Academy's Headteacher, Mr Jones, commended the students on 'their resilience and commitment to academic study during an extremely challenging period. In spite of numerous potential obstacles, such as teacher strikes, a multitude of other challenges in the education sector, and Ofqual (the exam regulator) returning to pre-pandemic grading standards (2019), their determination to succeed has prevailed. As a school, we have an increasing number of pupils achieving the top GCSE grades and accessing prestigious college and sixth form courses, and our overall attainment has improved since 2019 (the last pre-covid exam year). Our staff have exceptionally high aspirations for our students and I am grateful for everything they do for our community. Thank you to all the students, parents and staff who have worked tirelessly over the course of the last year. Enjoy your successes today, and I look forward to hearing about everything you go on to achieve.'*
